Pledge Total Reaches \$3.8 Million

The Campaign Leadership Committee thanks all those supporting Phase II of our parish master plan. Our pledge total has grown to \$3.8 million with commitments from just 18% of our registered parishioners.

Participation is the key to our success! Every response greatly assists our follow-up efforts, especially the parishioner volunteers that are making telephone contacts with families that have yet to respond.

All Saint Raphael members are asked to complete and return a Phase II contribution form as soon as possible. Campaign information, including the form, campaign brochure, and an updated frequently asked questions document are available online at: saintraphaelparish.com

***Remember- Every pledge brings us closer to our goal
of enlarging the heart of our worship!***

Church Model

We appreciate all those who have taken the time to view the Phase II model that shows the new church, adoration chapel, gathering area, community room, and more.

Those wishing to view the model are asked to stop by after Mass this weekend, when members of the Campaign Leadership Committee will be available to answer questions about the plans and the campaign. The model is located in the lobby near the main (east) entrance to the church.
