Mr. Barton is ready to begin another year of fun and learning with Bee Bouncers.

This program was developed by Don Barton (a retired teacher with 30 years of experience as a teacher of physical education) to teach children to work with basketballs and coordinated movements and to learn routines similar to those that the Harlem Globetrotter's perform. The activities are for all children, boys and girls, the gifted athlete and those simply in need of fun, physical outlet. It is a noncompetitive environment. The program has been active in Bay for the last 8 years. There have been hundreds of children who have performed at high school and college games, Globetrotters and Cleveland Cavalier's games.

We will have our first classes for beginners and one-ballers ONLY on Wednesday September 5th through Friday, September 16th. The two-ballers can join this group on Monday, September 19th.

Regular Class Schedule:

Normandy 1: Monday thru Friday after school until 3:45 in the gym.

Normandy 2: Monday thru Friday 4:30 until 5:30 in the gym.

(The 4:30 class may be a better choice for most children ages 4, 5 and other children who dislike large groups.)

PLEASE GO TO beebouncers.com and print out a permission slip for the first class plus a small face picture of your child.

Fee:\$3 per class for all classes (add \$3 per check written)

Performances at Bay High, Cavs and Globetrotters to be scheduled soon.
