## **What is JGB's?**

Junior Great Books is a fun **6-week** reading enrichment program for students in **grades 3, 4 and 5**. The program allows students the opportunity to read, interpret and discuss short readings in a small group setting & is designed for **ALL** levels of readers!

## **When & where do they meet?**

JGB starts in late January and continues into early March. During this time, students meet in small groups for ½ hour each week. The Discussion Leader (a parent volunteer) picks the students up during their lunch time and takes them to the meeting location. The students eat their lunches while discussing the story for that week

## **Discussion Leaders:**

The success of Junior Great Books relies on **parent volunteers** in the role of Discussion Leaders. **No experience** is required to lead a group! Leaders are provided their own "Leaders Manual" which contains the stories as well as a list of questions and activities. On a weekly basis, it requires a very minimal amount of time: Approximately 20 minutes to read and prepare for the meeting and another ½ hour for the actual meeting itself. **PLEASE** consider volunteering!

## **Fee:**

The \$20.00 fee covers the cost of the student's book and a pizza party held the final week of the program.
