

Saint Raphael School
Code of Conduct

The administration, faculty, and staff of Saint Raphael School are dedicated to quality education and academic excellence. Our ultimate goal is to impart a sense of wholeness to each student for life. In partnership with their parent/guardian, it is our deepest desire that the students know they belong to a family bonded by Christian love and respect, and forever have a home in that family.

As a responsible member of this family I will:

- 1. Respect myself and the rights and safety of others.**
- 2. Respect both school and private property.**
- 3. Adhere to the code of conduct.**

Standards of discipline are an essential part of the Saint Raphael School environment, allowing each student to act within an established order, and assuring a climate conducive to learning. Students are expected to strictly abide by these standards of discipline while in school and while participating in school-related activities. Parents are expected to join in assuring their children's compliance with these standards and to support any disciplinary decisions made by the school authorities.

Occasionally a student may choose to violate these standards and therefore needs to understand and be responsible for the consequences of his/her behavior.

I have read and discussed with my child/children the Code of Conduct, as posted on the school web site, his/her/their responsibility to follow these rules and the consequences for the failure to do so. I understand the Code of Conduct and agree to join in assuring my child's/children's compliance with these rules and will support any disciplinary decisions made by school authorities.
