

SAINT SCHOOL
525 Dover Center Road
Bay Village, Ohio 44140

August, 2011

Dear Parents,

It has been brought to our attention that several of our students have **peanut allergies**. For some of these children one bite can bring on severe and life threatening reaction. We would like to strongly suggest that all parents abstain from sending in any treats or snacks that contain peanuts, peanut butter or peanut oil.

All treats should be cleared with the teacher, in writing, at least 2 days in advance. If you are unsure of the ingredients, please advise the teachers to send it home with the children for the parents approval.

We know that working together we can keep the children safe and healthy. Your cooperation is greatly appreciated. Please contact the school with any questions or concerns at 871-6760.

Sincerely,
Jill Ritenour, R.N., School Nurse
Ann Miller, Principal
