

St Raphael School  
Hot Lunch & Milk Program

Aug. 16, 2011

Dear Parents,

Welcome back to another great school year! This year milk will be purchased through the lunch line. We will be adding a third line to accommodate the ala cart items. For now the ala cart menu will have only white & chocolate milk, and water. The cost for milk is \$.35 and water is \$.50. Milk money and lunch money will need to be deposited into their myschoolaccounts. There is no need to preorder milk or water. You should have received your student ID number last year. If you have lost or have forgotten your students ID please contact me at [snye@saintraphaelparish.com](mailto:snye@saintraphaelparish.com), or 871-6760 ext 141.

Please make sure your student has enough money to cover milk, water, or lunch. We will not be able to serve your child without the proper funds in their account. To avoid the \$2.00 service fee on the myschoolaccount.com, please send your check to school and I will deposit it into their accounts. This must be done before you preorder lunch. Checks are made payable to "St. Raphael Lunch Program".

Sincerely,

Stacey Nye

Hot Lunch Coordinator
