Advance Volleyball Club is a locally run club out of the Lorain/Elyria/Oberlin area servicing all of Lorain, Erie and Cuyahoga counties. We provide an excellent opportunity for girls to continue playing and improving their skills in volleyball through the winter and early spring months. We offer opportunities for girls to participate from the ages 10-18. Like all other sports, volleyball has become a year round sport and we take great pride in helping area High School and Jr. High School programs get better one player at a time.
