

## ST. RAPHAEL PARISH POLICIES/PROCEDURES

### Alcoholic Beverages

Alcoholic beverages (including beer, wine, and liquor) are strictly prohibited on the premises of St. Raphael Parish. Alcoholic beverages are only permitted for parish events when a liquor license is obtained from the State of Ohio Department of Liquor Control when applicable.

### Auxiliary Tables/Chairs

It is the parish policy that we DO NOT lend or rent tables and chairs to anyone for personal use outside the parish grounds.

### Child Care(Littlest Angels Childcare)

Child Care will be provided for children ages 2 to 5 years of age on all Sundays of the year, except for Easter Sunday and Christmas. Child Care is available in the Zwilling Room during the 10:00 a.m. Mass.

### Bulletin

Information for the bulletin must be received in the Parish Office by noon on Friday for the following week's bulletin.

### **Bulletin Boards**

**(See Hallways)**

### Bulletin Inserts

In an effort to reduce the number of weekly inserts, only one (1) bulletin insert per event suggested. Bulletin inserts must be given to the Bulletin Editor in the Parish Office, by Monday prior to when the insert is to be placed in the bulletin.

### Calendar

All activities and events (including the day school/PSR) must be scheduled in the Parish Master Calendar via the Secretary in the Parish Office. ***A facility request form MUST be completed for ALL scheduled events.***

Please use the facility assigned to you. Do not change rooms without checking with the Parish Office. If a meeting is cancelled, please inform the Parish Office, so the Maintenance Dept. is aware of where and what activities are going on.

All school activities that will be using rooms and areas other than the school proper (both during school hours and after school) MUST be approved by the school principal, who will then contact the Parish Office prior to the activity being placed on the calendar. This includes the church.

Events will be scheduled on a first-come/first served basis.

On Saturday afternoons and Sunday mornings, the focus of our attention is on Mass. Therefore, groups wishing to use the PAC, PAC Kitchen, Lunch Room or Lunch Room Kitchen should not begin event before 5:30 p.m. on Saturday evening (with the event starting at 6:00 pm.) and 1:00 p.m. on Sunday (with the event starting at 2:00 p.m. on Sunday). The Parish Office will advise and final decision will be at the discretion of the Pastor.

A Facility Request form **MUST** be completed for ALL scheduled events. This will help avoid the risk of double scheduling rooms, equipment, etc. Facility Request forms are given to the Parish Office first for processing. Do not give forms to Maintenance directly... **must go through the Parish Office to be stamped before forms are sent to Maintenance Department.** Last minute changes need to be approved by the Parish Office. Cancellations need to be communicated to the Parish Office as well as soon as possible.

### Church

Other than regularly scheduled Masses and confessions, all use of the Church will be scheduled on the Parish Master Calendar. This includes weekday, weekend and evening events.

Out of respect for the sacred building, the Church should not be used for meetings, gatherings, etc. unless absolutely necessary, especially if the PAC, Lunch Room, Community Room or Raphael Center are able to accommodate the event. **NO FOOD OR BEVERAGES ARE TO BE BROUGHT INTO CHURCH.**

If the Church is used for a function, **NOTHING** is to be placed on the altar or the ambo. (A lectern will be set up for non-liturgical speakers.)

Social Concerns collection boxes and materials, pamphlet racks, information sheets, etc. are to be kept in Good Shepherd Square (gathering area near Prayer Garden). No materials should be placed on the altar steps. Any materials that are placed in Good Shepherd Square or on our book shelves need to be approved. No tables are to be set up in the Zwilling Room hallway.

***NO signs are permitted on the glass doors or walls of the Church.*** Bulletin boards are located in Good Shepherd Square and in the Gathering Area (back of Church). Advertising on the bulletin boards should be coordinated through the Office Manager in the Parish Office on a first come/first served basis.

Unless a function is scheduled in Church, the Church doors will be locked at 3:00 p.m. with the exception of the door closest to the north- portico. This door will be locked at 8:00 p.m.

### Coat Room

Nothing will be stored in the coat room except shoes and personal items during athletic practices in the PAC and Lunch Room. Coat racks are not to be moved from the coat room without permission from Maintenance.

## **Community Room**

The entire **Community Room** can accommodate 160 people seated at tables and chairs. The room can accommodate 220 in a theatre seating arrangement (chairs only). The room may also be divided in two halves when the dividing screen is in place—**Community Room A** (with fireplace) and **Community Room B**.

In order to reserve any portion of the Community Room, there should be a minimum of 20 people per side anticipated to attend the event. There is a coffee bar in each room with a coffeemaker provided. Groups using the coffee bars must provide their own coffee and other supplies and are responsible for cleanup after the event.

During the school year, please be sensitive to school arrival/dismissal times to avoid issues with busses, car riders, etc. Therefore, Community Room(s) will be available from 9:30 a.m. – 2:30 p.m. during the week.

The Community Room is available for funeral receptions for funerals scheduled at St. Raphael Church only. If a family wishes to use the Community Room for a reception, they should contact the Office Manager. What a beautiful way to support a family in their time of sorrow. In an effort to provide compassionate pastoral care for our grieving parish families, funeral receptions **will take precedence** over all other scheduled events in the Community Room. Please note that when scheduling events in the Community Room, the non-funeral related meeting/gathering may have to be cancelled or relocated to another available room if a funeral reception is scheduled. There will be ample time to contact members of your group in case a funeral reception is scheduled.

Alcoholic beverages are prohibited on the premises of St. Raphael Parish, including the Community Room. *(Please refer to the “Alcoholic Beverages” section of the Policies/Procedures.)*

If sound equipment is needed, please contact the Office Manager.

## **Concession Stand**

Stacey Nye will act as coordinator of the Concession Stand. Requests to use the Concession Stand will first go through Stacey who will then check availability in the parish calendar. A coffee maker will be provided for use in the Concession Stand.

If a group is using the Concession Stand, they must provide a monitor to be posted at the PAC doors to be sure no one brings food or drinks in the PAC. Stacey will be responsible for checking to be sure a monitor is scheduled. **No signs are to be taped on the walls.**

The groups or individuals using the Concession Stand are responsible for providing all of their own supplies for their event—paper products, cleaning supplies, etc. They are responsible for clean up and removal of all items. (including trash from the concession stand at the conclusion of the event. All leftovers should be removed as well.)

Pepsi products are to be used exclusively in the Pepsi cooler in the Concession Stand. (No other brand of drinks may be placed in the cooler.) Separate portable coolers may be brought in containing products other than Pepsi. Plastic bottles/cans only—no glass containers.

The parish owns a popcorn machine which may be used by any interested parties—but they must provide all the necessary supplies and clean the machine after use. Instructions/training the groups on proper use of the popcorn machine will be provided by Stacey Nye.

### **Defibrillator**

Located inside PAC and Ushers' Room in Church.

### **Donut Sales**

Parish organizations/ministries sell donuts most Sundays of the year in the Lunch Room.

The various ministries schedule their sales through the Parish Bookkeeper either on a regular rotation basis or by special date requests. Donut sale forms are mailed to each ministry with the master calendar sign-up sheets. The schedule begins in September and goes through the first week of June. The summer schedule runs from the 2<sup>nd</sup> week of June through August.

The ministries are responsible for providing all of the supplies, set up and clean up for their particular donut sale. There is a standing order for donuts through Fragapane Bakery each week (25-40 dozen donuts). The scheduled ministry contacts Fragapane's by 1:30 p.m. on the Thursday before their sale to confirm the number of dozens of donuts they want to order for that weekend. A call from the Bookkeeper will be made to scheduled ministry reminding them of their scheduled donut sale.

The scheduled ministry then pays Fragapane's on Sunday when the donuts are delivered to the Lunch Room-between 7:30 and 8:00 a.m. Payment to the bakery for the donuts is the responsibility of the ministry. Proceeds from the sale are turned into the Parish Office and then given to the selling organization for their use as they see fit.

### **Dumpsters (Trash)**

The parish has contracted for one dumpster for general use and is picked up and emptied on Monday, Wednesday and Friday each week.

### **Emergency Closing Policy**

The policy for school closing follows the plan used by the Bay Village School System. If Bay Village Public Schools are closed, St. Raphael is also closed. Both PSR/Day School follow this policy. If school and/or PSR are closed for snow or other emergency reasons, all student-related and non-student activities/meetings will be cancelled for the evening.

### **Eucharistic Adoration**

Held 10:00 a.m. Friday thru 4:00p.m. Saturdays in the Franciscan Chapel. From 3:30 to 3:50 p.m. on Fridays, there will be a children's (family) program, a time of Adoration suited to children of all ages. The Adoration time will consist of a short explanation, prayers, quiet and song. If the Parish is closed due to emergency, Adoration is also cancelled. (See Emergency Closing Policy above.)

### **Facility Maintenance Request**

Request applies to all maintenance except that which is clearly an emergency. In case of emergency, please call the Parish Office, School Office or Maintenance Department.

### **Facility Request Forms**

Must be completed for all events-even when a set-up is not required (preferably at the time the event is scheduled, or at least one week in advance. Parish Office will coordinate with Maintenance. (pink form)

### **Fire Alarm**

In the event the fire alarm is triggered, the Bay Village Fire Department is automatically alerted and are on their way. ***Do not do anything but wait in a safe location for the Fire Department to arrive to handle the situation.***

### **First Aid Kit**

In case of emergency, first aid kits are kept in the Maintenance Office, Sacristies, Ushers' Room, PAC Kitchen, Lunch Room Kitchen, and Parish Office Kitchen.

### **Franciscan Chapel**

Scheduling of Franciscan Chapel requires Facility Request Form given to the Parish Office. Diagram of room set up is in the sacristy and Parish Office. Procedures for use of the Franciscan Chapel will be provided when Facility Request is received.

### **Hallways**

No signs or posters may be posted on any walls, windows or doors. (Check with the Office Manager to request permission to post inside the appropriate bulletin board or "bulletin board" case.)

Good Shepherd Square, main entrance and Zwilling Room hallways are to be kept clear of all coats, shoes, backpacks, etc. during athletics. Athletes need to place their belongings on the sidelines of the PAC (bleachers) or Lunch Room where their practices take place.

### **Good Shepherd Square**

In an effort to provide an atmosphere of comfort and welcome and to enable people to enter and exit the Church and other facilities freely, Good Shepherd Square should be kept clear at all times. If individuals or groups wish to advertise a project, they should arrange with the administrative secretary to use the Lunch Room. No signs or posters are to be posted on the walls.

Sports teams are asked to keep Good Shepherd Square free of clothing, shoes, coats and other personal items. These items should be stored in the locker rooms or in the coat room.

No sports activities are to be conducted in Good Shepherd Square. Sporting equipment should be kept in the PAC or Lunchroom-not in Good Shepherd Square or hallways. For safety reasons, individuals and teams waiting to enter for practices/games must refrain from bouncing balls, swinging bats, practicing drills, etc. outside of the PAC or Lunch Room.

### Incident Reports

If an accident (bodily injury, vehicle, equipment) should occur on St. Raphael property either by an employee, parishioner or visitor, a confidential incident report is required by the Diocesan Insurance Office within 24 hours of the occurrence.

If the accident should occur during regular business hours, notify the Administrative Director immediately, who will gather the required information and file the proper report with the Diocese.

If the accident should occur outside regular business hours, please gather detailed information (name, phone number, description of accident, etc.), and forward to the Administrative Director as soon as possible-the following morning or Monday following the weekend. The Administrative Director will then convey the correct paperwork and information to the Diocese. Confidential incident reports are available in the Ushers Room.

### Lecturers (Speakers)

If a group or organization is considering inviting a speaker from outside the parish to make a presentation at St. Raphael, please discuss with Fr. Tim Gareau prior to extending the invitation to the speaker.

### Locker Rooms

**Coaches are to check locker rooms before and after their scheduled practices, including toilet stalls to be sure that the locker rooms are clean and nothing has been left behind.** (See Hallways). A schedule will be provided by Athletics in the event locker rooms are left in disarray and coaches can be notified.

### Lunch Room/Lunch Room Kitchen

Used for Day School lunch periods during school days.

Donut sales will be held most Sundays of the year in the Lunch Room.

Parish organizations may use the Lunch Room for various ministry events after scheduling with the Parish Office and Master Calendar. Facility Request Forms are required.

Maintenance personnel will be responsible for setting up/putting away permanent tables/benches for safety reasons.

The groups or individuals using the Lunch Room Kitchen are responsible for providing all of their own supplies for their event, such as, paper products, cleaning supplies, etc. They are responsible for clean up and removal of all items (including trash) from the kitchen at the conclusion of the event. Remove all leftovers from the kitchen, including the refrigerator and freezers. Minors must be under the supervision of an adult in the Lunch Room Kitchen.

Athletics (volleyball, basketball, baseball) practices use the lunch room after scheduling through the Athletics scheduler with approval from the Administrative Secretary.

Sports teams are asked to keep the Zwilling Room Hallway free of clothing, shoes, coats and other personal items. Sporting equipment should be kept in the Lunch Room, not in the hallway. NO gum permitted in Lunch Room or PAC.

Sound system available when requested. Please see Facility Request Form.

### **Sound Equipment (Specific procedures forthcoming)**

There are four sound systems:

- Church
- Community Room
- Lunch Room
- Parish Activity Center (PAC)

### **General**

All parish events, especially those requiring sound or multimedia facilities (projector, camera, computer, etc.), must involve a member of the Parish Staff. Use the "St. Raphael Parish Directory" sheet

showing the parish commissions (ex. Worship Commission, Spiritual Commission, Education Commission, etc.) as a guide to determine the appropriate parish staff member.

The specific requirements for any sound/multimedia equipment must clearly be shown on the Facility Request Form including any equipment, microphones, cables, etc., required. Also show equipment and/or cables that will be provided by the event coordinator and/or speaker.

### **Church**

The sound panel in the sacristy should only be opened with the involvement of the appropriate parish staff member. The use of the CD player or external microphones requires a staff member's assistance. The volume controls at the top of the panel, wireless microphone units on top of the cabinet, and the master volume control on the right side of the cabinet, should not be adjusted without the involvement of a member of the Parish Staff.

### **Lunch Room**

The sound system for the Lunch Room includes various portable components including speakers, control panel, microphones, stands, and cables. Any non-school events designated for the Lunch Room require the involvement of a member of the Parish Staff.

### **Parish Activity Center (PAC)**

The PAC has a sophisticated and user-friendly multimedia system designed to meet most audiovisual requirements of the parish community. The two major components are shown below.

It is imperative that a member of the Parish Staff is involved in any event in the PAC requiring any audio visual equipment, even when the event planner/coordinator has previously worked with the equipment.

Most of the equipment control can be handled from Touch Panel including:

- Turning on/off the main sound system
- Turning on/off the digital projector
- Raising and lowering the projection screen
- Turning on/off the connection from the digital projector to one of the two special laptop port connections
- Turning on/off the connection from the digital projector to the DVD player or the CD player located in the Main Control Panel

- Controlling the volume and mute of (General) microphone jacks located on or near the stage
- Controlling the volume and mute of the wireless microphone that is stored in the Main Control Panel

Access to the normally-locked Main Control Panel is required for the following:

- DVD Player for inserting or removing a DVD
- CD Player for inserting or removing a CD

### **Use of PAC Audio and Computer Equipment**

The following items are stored in the Parish Office:

- PAC microphone cords and hand held microphone
- Wireless microphone
- Microphone stand
- Laptop computer hook-up cord

If your group needs to use any of the above equipment, you must contact one of the following Parish Staff members to reserve the items needed.

Mr. Mark Cunningham

Dr. Andy Kereky

Mr. Bill Toler

Miss Terri Telepak

Once you have reserved the equipment with one of the Parish Staff members, you can pick up the needed items at the Parish Office the day of your event and take them directly to the Parish Activity Center.

You will be asked to give your name, the parish group/event that is using the equipment, and a phone number where you can be reached.

The items **MUST** be returned immediately after the event to the Parish Office where you will sign off that the borrowed items have been returned.

If the office closes prior to the end of your event, you **MUST** make arrangements with the Parish Staff member who reserved the items for you, as to how and when the items will be returned.

### **AT NO TIME SHOULD THE EQUIPMENT LEAVE THE PARISH PROPERTY!**

**Please contact one of the above Parish Staff members with any questions.**

The key to the Main Control Cabinet is kept in the Parish Office. The member of the Parish Staff will lock/unlock the cabinet as required. If the staff member provides the key to the event planner/coordinator after training, it is that person's responsibility to return the key to the Parish Office immediately after the event.

Specific instructions on the use of the Touch Panel and Main Control Panel, as well as the layout of the microphone and computer ports, can be found hanging on the left side of the Main Control Panel.
