Special Guest Speaker: Keith Nester

St. Padre Pio called the Rosary “The weapon for these times”. What makes the Rosary so special - the number of prayers, the specific words used or the way it helps us to engage in the events in the lives of our Lord and the Blessed Virgin Mary? A former Protestant Pastor and Catholic convert, Keith Nester will unpack the mysteries of the Rosary to help us discover their power and effectiveness in changing our hearts and lives. Join us as Keith shares his reflections on the mysteries and why he believes this prayer has been instrumental in changing his own life and the lives of the thousands of people who join him every day to pray the Rosary on the Rosary Crew live-stream.

Along with Keith's talk, we will pray the Luminous Mystery together.

Encounter Mary & The Rosary Series

All are welcome to nurture their relationship with Mary and the Rosary. On the 13th of each month between May and October, in line with the Fatima apparitions, we will reflect on our Lady's messages, enjoy real life stories from our guest speakers and hear personal miracles about faith and the power of praying the Rosary. We will include with each talk praying the Rosary together as a group. As Mary urges us to pray the Rosary daily to obtain peace in our families and around the globe, this series is ideal for those who have a devotion to the Rosary, those who have prayed in the past and for those who have not yet discovered the Rosary in their prayer life.

In other words, it's ideal for everyone!
