

Ministering to Our Elderly and Homebound

Please consider joining St. Raphael's *Ministry of Pastoral Caring*

We're looking for volunteers, young and old, who are interested in helping our elderly and homebound. Some possibilities include taking Communion to those who are unable to come to Mass, keeping them connected to our parish community through periodic greeting cards/notes, bringing them to Mass or just visiting with them.

This can be a wonderful family or group experience too!

What we do for the least of our brothers and sisters, we do for the Lord Jesus!
(Matthew 25:40)

Please prayerfully consider this invitation to help. If you have questions or would like to join this ministry, please contact Dr. Andy Kereky at 871-1100 or akereky@saintraphaelparish.com
